First let me thank Pam Hicks for the great job she has done on our previous newsletters. Changes in jobs and work schedules has taken her time away from us. THANK YOU!

Well, the Holidays are over! Hope Santa was good to all your families. I hope each of you have a Happy New Year. That starts us on the last half of the Moose year. We still have a lot of work to finish out this year. We need to sign as many new members as possible. Ask a friend or associate to join your lodge. Then, get them involved in the lodge dances, sports, meals, tip jars, or just a drink or beer. We need to do anything to keep our lodge open and growing.

January is the month for the state meeting in Richmond. We were fortunate to get another hospitality room. These are a lot of work but make good money. If you are available your help would be greatly appreciated!

Everyone who took part in the Christmas Baskets and Christmas Party for our children I THANK YOU from my heart. All that we help each year need our support and without your support they may not have a meal at Christmas.

Plans are in the works for this years Apple Blossom Sports Breakfast. It should be about the same as last year with an adjustment for cost. This would be a great time for you to show off your lodge. Let people know you belong and are proud of what we do. Bring a guest or prospective member in and show them how it's done.

Ray Corbin, Governor
